Services Description: This RFP is issued to solicit a contractor or contractors to provide comprehensive employment and training services authorized under both Title I of the Federal Workforce Investment Opportunity Act (Public Law 105-220) and the State Dislocated Worker Program (MN Statutes 116L.17). Initial awards under this RFP will reflect the estimated amount of Federal and State funding to be received for the period July 1, 2024 through June 30, 2025. Funds for the years following will be allocated to the Workforce Service Areas (WSA) by the State of Minnesota to the service provider(s) selected through this RFP process. This subsequent allocation of funds is dependent on the availability of Federal and State Adult and Dislocated Worker funds, provider effectiveness, and demonstrated need for services offered.

The Dakota County Workforce Development Board (WDB) issues this Request for Proposals (RFP) to solicit providers for services to workers dislocated from employment lay-offs of fewer than 50 individuals from a single workplace as well as to unemployed or underemployed adults who are eligible to receive core, intensive and training services under Title I of the Workforce Investment Act. These services are funded by an allocation formula which apportions federal and state monies to WSA.

Dakota County intends to designate one or more service providers for a period up to five years. Proposals must reflect an ability to provide all services designated under this RFP either through the proposer's organization alone or with the proposer and identified subcontractors.

Primary Deliverables:

This RFP is issued to solicit a contractor or contractors to provide comprehensive employment and training services for three distinct programs with three distinct funding streams:

- Federal Dislocated Worker services as required under the Workforce Investment Act with an estimated annual funding of \$450,000.

- State Dislocated Worker services as required under the Minnesota Dislocated Worker Program with an estimated annual funding of \$700,000.

These funding projections are subject to change, consistent with final allocation levels established by the State of Minnesota. Dakota County seeks proposals that include service provision for all three programs. An estimated 500 individuals will be served across all programs depending on funding levels.
