Communication and Outreach Guidelines for Household Hazardous Waste/Electronics Collection Events

To create consistency in the household hazardous waste promotions, Dakota County is asking the cities hosting household hazardous waste collection events to follow these guidelines in city electronic and print communications, including flyers, mailers, websites, E-News and other promotional materials.

A. Required content:

City communication pieces should contain the following information:

1. Use “Dakota County and City of (*insert City name here*) Household Hazardous Waste Collection Event” as a description of the collection.
2. Use the City and Dakota County logo. See Section C. below for more details on the County’s logo.
3. Date, Day, Hours, and Address of the Household Hazardous Waste Collection Event.
4. List of household hazardous waste items (and other waste – e.g., electronics) that will be accepted). Include as many examples as space allows. See Section D. below for more details.
5. Clarify that household hazardous waste drop off is free, TVs and computer monitors will be charged \$10, and other electronics are free, and that drop off is open to all county residents, such as:
 - o “Drop off is open to all County residents.” or
 - o “All Dakota County residents can drop off household hazardous waste and electronics.” or
 - o “Household hazardous waste—such as leftover paint, household cleaners, driveway sealers, lawn and garden chemicals, fluorescent bulbs and automotive fuels will be collected at the household hazardous waste drop-off day for free from all Dakota County residents.”
 - o “TVs and computer monitors will be charged \$10, all other electronics are free”
6. Identify that a driver’s license is required.
7. Identify a city phone number and website for residents to get more information.
8. Acknowledge County support, such as: “The Household Hazardous Waste Collection Event is partially funded by the city of (*insert city name here*), Dakota County and the Minnesota Pollution Control Agency.” **NOTE:** “partially funded” is the required terminology for Dakota County acknowledgement; do not use “sponsored by.”
9. A list of unacceptable items (e.g., no business, farm or yard waste)
10. If space allows on the communication piece include information that The Recycling Zone is open year-round for residents that cannot make it to the collection event. Include The Recycling Zone’s website (www.dakotacounty.us, search *Recycling Zone*) and the phone number (952-891-7800 **NOTE new phone number starting July 2022**), if possible. It is preferred this be listed under “What if I Can’t Take it to the Household Hazardous Waste Collection Event?” at the bottom of the piece or away from the Collection Event location information to avoid confusion.
