

Discussion and Direction on Potential Amendment to Memorial Designation Requirements on County Roads

Georg T Fischer
Physical Development Division Director

Overview

- History
- Current Requirements for Memorial Designation of County Roads
- Discussion

Dakota County Uniform Street Naming and Addressing Procedural Manual (USNAS Procedural Manual)

- 2008: Adopted to provide a system for naming streets and assigning addresses
- August 29, 2023: Amended to allow memorial designations that meet specific eligibility requirements on County Roads
- April 22, 2024: “Non-eligible” request was received from City of Inver Grove Heights
- May 21, 2024: Staff directed to bring USNAS Procedural Manual to a future meeting for additional discussion on eligibility criteria

Current Requirements for County Roads

Section 11: MEMORIAL DESIGNATIONS

C. County Roads: The following procedure shall apply for requests to designate a County road or portion thereof as a memorial:

1. The person seeking to add a memorial designation to a County highway shall make a formal written request to the Dakota County Physical Development Division

a. The Dakota County Physical Development Division will determine if the request meets eligibility and other requirements and seek appropriate approvals.

2. Eligibility:

a. Limit to County employees killed in the line of duty on County roads

Discussion and Direction
