

Corrections Funding and the Community Supervision Workgroup

Suwana Kirkland, Director of Community Corrections
Jim Scovil, Deputy Director of Community Corrections

Community Supervision Workgroup

- Takes steps to resolve structural funding imbalance for Probation and Supervised Release supervision
- Create a permanent, transparent funding formula that is consistent for each County
- Create a supervision standards committee to develop and implement consistent supervision levels and standards
- Develop statewide outcome data for probation services

Recommendations

- Support the Community Supervision Work Group Recommendations for one probation funding formula for all counties that is equitable and transparent.
- Support for a significant increase in appropriation for probation and supervised release in the 2023 legislative session.
