TITLE

Approval Of Final Plats Recommended By Plat Commission

PURPOSE/ACTION REQUESTED

Approve final plats contiguous to County Roads as recommended by the Plat Commission.

SUMMARY

To provide for the orderly development of property in Dakota County, new subdivisions adjoining County highways are reviewed under the Dakota County Contiguous Plat Ordinance No. 108. The Ordinance requires new subdivisions adjoining County highways to comply with the County's access spacing and right of way guidelines in order that existing and future highway corridors are preserved to accommodate existing and forecasted traffic volumes safely and efficiently.

The Plat Commission examines plats prior to the time they are submitted for County Board approval. The Plat Commission has reviewed and recommends approval of the final plats by the County Board. The final plat approval by the County Board is subject to the conditions established by the Plat Commission review (Attachments: Meeting Notes and Location Maps).
